

- 3. Contact Google HR or support directly through official channels to confirm the offer.**
- 4. Search online for similar scam reports.**
- 5. Never pay any fees for job verification or interviews.**

Q:- Create a Google Form Quiz with the following requirements:

- a) Convert the form into a Quiz mode with automatic grading.
- b) Add 5 MCQ questions, each carrying 2 marks.
- c) Add 1 short answer question that requires manual evaluation.
- d) Turn ON the setting:
 - a. *Limit to 1 response*
 - b. *Shuffle question order*
 - c. *Release marks after manual review*
- e) Add a timer add-on (like form presenter) and set up a 10-minute time limit. Finally, send the quiz link and view the response

The screenshot shows a Google Form titled "NALS-IT Questions". The form has a purple header bar with the title and a "Published" button. Below the header, there are two sections of questions. The first section asks, "Which of the following is Brain of computer? *", with options: Monitor, Mouse, CPU, GPU, and Other. The second section asks, "Which shortcut key is used to copy? *", with options: Ctrl + V and Ctrl + C. To the right of the form is a sidebar with various icons for managing the form, such as adding questions, responses, and settings. A vertical toolbar on the far right provides additional form-related functions.
